Questions to mr Malema:

4. Have you informed the EFF leadership of the origins of the funds used to prop up your lifestyle;

I had no reason to do so because such narrative doesn't exist. It can only be found in your head.

5. Why would mr Matodzi label Sgameka as "an extremely strategic account";

Ask him, I don't speak for him.

6. During the press conference of 16 October 2018, I asked very specifically if you or the EFF have ever benefited directly or indirectly and in any shape or form from the illicit VBS money. You denied the allegation. I have now proved that you lied. Your comment?

I don't lie Sesi, I stand by what I said in the press conference.

7. During the press conference of 16 October 2018 I asked whether you or the EFF ever received money from Sgameka or Mahuna. At first you denied the allegation, and later backtracked by stating that you may have received "donations". I have now proved that you lied. Your comment?

I stand by what I said in the press conference, I don't lie Sesi.

8. Where are you living at the moment;

In Cape Town, E117 Acarcia Park, Goodwood.

9. What is the origin of the funds utilised in buying the property at 49a Edward Rubenstein;

The EFF will answer that one.

10. What amount owed on the mentioned property has been settled;

The EFF answer that one

11. During the press conference of 16 October 2018, you said: "If Floyd has taken any [VBS] money he will be punished accordingly". What action will you, as the President of the EFF, take now that I have conclusively proven that you and the EFF received the proceeds of crime.

You have not proven anything except to show that you are obsessed with the EFF and its leadership. Continue your fishing expeditions, good luck.
